MM Docket No. 94-9 ✓

DISPATCHED BY

In the Matter of

Amendment of Section 73.202(b), RM-8423
Table of Allotments,
FM Broadcast Stations.
(Tunica, Mississippi)

NOTICE OF PROPOSED RULE MAKING

Adopted: January 27, 1994; Released: February 9, 1994

Comment Date: April 4, 1994
Reply Comment Date: April 19, 1994

By the Acting Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Tunica Broadcasting ("petitioner"), requesting the allotment of Channel 241C3 to Tunica, Mississippi, as the community's first local FM service. Petitioner states that it will apply for the channel, if allotted.

2. In support of its proposal, petitioner states Tunica is an incorporated city listed in the 1990 U.S. Census with a city population of 1,175 persons and county population is 8,164 persons. In addition, Tunica is the county seat of Tunica County, Mississippi. Petitioner contends that there are no broadcast stations licensed to serve Tunica, thereby its proposal will provide Tunica with its first aural transmission service.

3. We believe the public interest would be served by proposing the allotment of Channel 241C3 to Tunica, since it could provide the community with its first local FM service. Channel 241C3 can be allotted to Tunica in compliance with the Commission's minimum distance separation requirements with a site restriction of 6.8 kilometers (4.2 miles) southwest in order to avoid short-spacing conflicts with Station WLZA-FM, Channel 241C2, Eupora, Mississippi, and with a rule making proposal (RM-8336) to allot Channel 240C3 at Harrisburg, Arkansas.¹

4. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

	Channel No.	
City	Present	Proposed
Tunica, Mississippi	--	241C3

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before **April 4, 1994**, and reply comments on or before **April 19, 1994**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Barbara L. Waite, Esq.
Venable, Baetjer, Howard & Civiletti
Suite 1000
1201 New York Avenue, NW
Washington, D.C. 20005
(Counsel for petitioner)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. *See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

8. For further information concerning this proceeding, contact Pamela Blumenthal, Mass Media Bureau, (202)634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.

(b) With respect to petitions for rule making which conflict with the proposal(s) in this *Notice*, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. *Comments and Reply Comments; Service.* Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this Appendix is attached.
